## Experience

### Junior Software Developer

IPera | Istanbul, TR

April 2024 – August 2024 (4 month)

### Software Developer Intern

IPera | Istanbul, TR

March 2024 – April 2024 (1 month)

During my internship, I had the opportunity to work within a professional team and contribute to a significant project using Java Spring Boot. This experience allowed me to gain hands-on experience in a dynamic and collaborative environment, enhancing my technical skills and understanding of real-world applications.

### Software Developer Intern

HN R&D Consulting Information Software Company | Istanbul, TR

July 2023 – August 2023 (1 month)

### Software Developer Intern

Izibiz Information Technologies | Istanbul, TR

June 2022 – October 2022 (5 month)

## Education

### Software Engineering (English)
